## APRIL – MAY APTHORP GALLERY

### Shoshana Gilmore

"My passion for art first started when I was drawn into a world of hooded figures on public transport. Individuals, all-consumed and hooked into the virtual world that lay in their very hands. By making use of my artistic skills, I have been able to transform this encapsulated reality of what consumes us to recreate the world that truly surrounds us by drawing inspiration from my life's work and involvement in my charity, supporting the homeless across Central London and the home counties."

## MAY DOWNSTAIRS FOYER
