A warm welcome to our Summer programme of shows & events

The year so far has been nice and busy and we hope this continues as we have some really great shows coming up. Children's shows include **The Cat in the Hat**, **Peppa Pig**, **Fireman Sam**, **The Dinosaur that Pooped** plus exciting shows from the **Natural History Museum** and the **Science Museum**.

Musical evenings include tributes to **David Bowie**, **Fleetwood Mac**, **Taylor Swift**, **Adele** and **Elton John**.

It is 50 years since Spike Milligan's **The Phantom Raspberry Blower of Old London Town** was immortalised by the Two Ronnies on TV. Currently on a national tour, we are pleased to present this first ever stage adaptation. Talking of anniversaries **Dom Joly** will be stopping by with his **Trigger Happy TV 25th Anniversary Tour**.

Comedy is as popular as ever and we hope you're enjoying our comedy club "**Live at the Radlett**". Its diverse line up of comedians is proving extremely popular.

Before heading off to the London Palladium, **Paul Zerdin's Shut Your Mouth Tour** is definitely not to be missed.

Please also remember to book your tickets for our wonderful family pantomime, **Snow White**. Many performances of which are already sold out as this is one of our most popular pantomime titles.

Beata Sokolowska

Beata's theme of 'In Between Elements' using oil on canvas explores the connection between the elements, and the delicate space where these worlds meet.

Inspired by both marine and land life, and the exploration of their natural environments. Beata creates unusual glimpses into worlds expressed with texture, colour, and composition; spaces where elements meet and interact.

With 'In Between Elements', Beata invites you to pause and consider the quiet dialogue between land, water, and life.

Nadine Sender: Five Minutes of Green

Five Minutes of Green explores the fleeting encounters with nature that punctuate my daily cycle to work. Each piece is inspired by those brief but grounding moments: five minutes of trees, shifting light, changing seasons, and the quiet details that often go unnoticed.

The exhibition brings together a range of works, from miniature ticket-sized pieces to larger-scale paintings. Using monoprint, acrylic, mixed media, and watercolour, the collection captures small memories and impressions gathered from the landscape over time.

Expect trees, plants, textures, and traces of the natural world; fragments of green that offer pause, reflection, and a reminder of the beauty found in passing moments.
